Projects

- **SMART CAR PARKING SYSTEM**

1. My App Name is PARKING GALORE. That provides the customer an easy way of reserving a Parking Space in Online. It help to overcomes the problem of finding a Parking Space in Commercial Areas that Unnecessarily consumes time.

2. The project can be implemented in commercial areas for employee parking.
It can be utilized by companies and organizations (hospitals, schools, colleges) to automate their parking system.
The system can also be used in public places for public parking like in malls, station, and so on.
